The Government of Mysore are pleased to direct that the following be substituted for sub-clauses (2) and (3) of clause 5 of Rule XXI of the Rules published under Notification No. 495 of 30th March 1892 :—

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury on the prescribed printed Chellans, in equal monthly instalments, commencing from the 1st month of the contract. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay. The Chellans shall be in triplicate in the appended Form E. The original shall accompany the Treasury "Daily Cash" account sent to the District Treasury, the duplicate forwarded by the Taluk Treasury Officer to the Excise Commissioner's office, and the triplicate retained with the renter. Payments on account of the shops in the Civil and Military Station shall be made into the Resident's Treasury on the printed Chellans furnished to the shop-keepers by the Collector of the Civil and Military Station.

(3) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable with interest at 6 per cent per annum from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

2. The conditions of the Agreement, License, &c., will also be modified accordingly.

No. 5512—*Ex.* 183, *dated* 11*th December* 1895.

Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent, together with local cess thereon, shall be

payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and give to each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay. The Chellans shall be in triplicate in the appended Form C. The original shall accompany the Treasury "Daily Cash" account sent to the District Treasury, the duplicate forwarded by the Taluk Treasury Officer to the Deputy Commissioner's office, and the triplicate retained with the licensee.

(3) The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the farm. Provided, however, that when the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale of the farm.
